The ultimate resource for dining out with food allergies

We are committed to simplifying the lives of people living with food allergies... Here is a comprehensive resource for dining out and feeling great about it. Enjoy!

Select a City: San Francisco (dropdown)
 Choose Your Region: SoHo (dropdown)
 Select a Cuisine: American (dropdown)
 Dishes free of: DAIRY, EGG, GLUTEN, PEANUT, SHELLFISH, TREE NUTS, VEGAN, SOY (radio buttons)

Search from the homepage... it's easy. That means finding your business is easy, too.

- Clean, clear and easy homepage/search page makes it a snap for restaurant seekers to find your business.
- Allergy buttons prioritize and refine the search so users find exactly what they are looking for.
- Cuisine, Area and City searches further refine the results leaving you in an elite group of returned search results.
- If your staff is GREAT trained, our site will indicate your ability to accommodate gluten-free needs, distinguishing your restaurant from competitors.

Restaurants that have been GREAT trained may proudly display the GREAT logo on their page, letting diners know that they will have the highest quality gluten-free experience possible.

An individual page for every bakery or restaurant

Restaurant Information, a link to your individual site, where to make reservations, your phone number and more — all front and center.

Upload a photo of your restaurant, or your logo.

Allergy buttons show users which allergies you cater to specifically.

Your full menu or special allergy-free menu is easy to view, zoom or flip pages.

A google map to your spot makes you restaurant easy to find from anywhere.

List special features like happy hour, family friendly or individual parking lot.

the **missing** menu.com

TheMissingMenu.com is helping GREAT Kitchens drive awareness and improve the lives of people living gluten-free.

TheMissingMenu.com and NFCA have arranged a special deal for GREAT Kitchens. Get trained, sign up and watch your clientele grow!

Special Discounts

NFCA GREAT Kitchen participants enjoy a reduced annual fee — only \$75!

More Than You Bargained For

One Gluten Free diner will bring along an average of 5 non-gluten free dining partners[†]. When TheMissingMenu.com and NFCA help you bring in just one diner, you may have already covered your cost!

Increase Visibility & Customer Loyalty

The GREAT logo is proudly displayed on your individual restaurant page, letting diners know they can confidently and easily dine with you — without the fear and frustrations of cross contamination. And that is something diners appreciate a whole bunch.

We'll Friend You and Tweet You

Thank you for making our lives easier, giving us the opportunity to enjoy incredible food, and bringing back the fun in dining out. We love to share great experiences and delicious meals with our followers and will be sure to tweet, blog and post about your restaurant — free of charge. A small token of our appreciation for your consideration of those of us with food allergies.

Advertising opportunities are also available on themissingmenu.com. Please call **502-664-9215** for more information.

There will never be competitive restaurant advertising on paid restaurant menu pages.
